TREASURE TRAIL

Type	Cache Name	Coordinates	Difficulty	Terrain	Size	Description	Hint
Traditional	My Forest	N 49°27.009 W 123°37.187	1.5	2	Regular	The real 'Treasure' here is this beautiful place that surrounds you. You are invited to take a personal treasure away with you in the form of one of the cards enclosed in the cache container.	At the feet of a burnt tree something doesn't quite look right…
Mystery	I Spy	N 49°27.095 W 123°37.265	2.5	2	Micro	THE CACHE IS NOT LOCATED AT THE POSTED COORDINATES...but a carefully placed optic is. Please do not move this optic. Proceed to the posted coordinates and look to see what you can see. The optic can be reached by an adult from the trail. Once you find the optic, it will point the way.	Look for a piece of tree that looks like a snag or a claw - search the top of this for an optic. Use this to find the cache. It will point the way.
Traditional	Fairy House	N 49°27.185 W 123°37.305	2	2.5	Small	**PLEASE NOTE: The cache is located about 3-4m off of the Nome trail which runs perpendicular to the Health Trail. There is a faint geotrail emerging.	The Fairy House may be easy to find, but the log is not so easy. Maybe one of the wooden discs hides it?
Traditional	The Cut	N 49°14.474 W 123°06.710	2.5	3	Micro	Once you arrive at Ground Zero, you are looking for TWO containers! One holds treasures, the other holds the logbook. Both look the same.**PLEASE NOTE: The cache is located a little ways off of the Health Trail, but if you follow the RED and SILVER flagging tape, it'll take you to Ground Zero.	If you get 'stumped', don't 'bolt'.
Traditional	Magic Spell	N 49°27.296 W 123°37.436	2	3	Small	This cache contains instructions to create a magic potion.	In the shadows of the slightly burned giant.

TIPS AND TRICKS
- Go slow! Once you're under 50 meters, let the GPS receiver settle for accuracy.
- Once you're within 15 meters, start searching!
Stay on the trail, unless the description says otherwise.
Expect to spend time searching.
Rehide the cache as you found it.
